Company Overview

4 U Travel Services (P) Ltd., is a technology-driven company with an innovative concept. Promoted by Mani Rajagopalan, who holds a global MBA from Singapore, the company offers comprehensive and hassle-free travel solutions.

Besides moving people to places of their choice, we also provide front and back-end travel-related services right from planning itinerary, arranging travel document, ticketing, and accommodation to last mile connectivity.

Want to travel? Come to us. We take you places.

Vision

To be the largest and the most sought after travel-solutions provider.

Mission Statement

To move people to places of their choice safely, comfortably, cost-effectively and in time, with our hi-tech fleet, network of professionals and vast resources.

Services Offered

Corporate Travel Planner

We fully understand the premium that is put on time and speed in the prevailing business environment. Our travel services will certainly give you the edge in movement, speed and time when it comes to moving people or material.

Corporate Solutions

Regular Employee Pick-up and Drop Service

This is a fully-integrated operation which starts from getting the employee roster and mapping them with pick-up address, pick-up time, type of vehicle and preparing a comprehensive routing plan that promises to deliver on all the key parameters set for the corporates: Time, Safety and Reliability. This regular pick-up and drop service is available across wide range of vehicles from small vehicles to SUVs and on different billing packages per kilometre, trip or package basis.

Small/Medium/Large busses

Corporate houses can now take advantage of our bus services for moving employees from home to place of work and back. We have a wide variety of AC and Non-AC busses with varied seating capacities.

Meetings and Conference

We draw up systematic transportation plans for meetings, conferences and seminars. We schedule airport/railway station pick-ups, office and home pick-ups, and materials/equipment logistics and organise sequential drops after the event. Our top priority is to ensure smooth movement of people and materials.

On-Call Service

Apart from the regular service, we have on-call services to meet all your requirements on an adhoc basis. We can arrange a cab from our extensive network any time, for any requirement. We have a wide variety of vehicles: small cars, sedans, hatchbacks and SUVs. This service can be for any requirement -- local or outstation travel, on kilometre basis or hourly basis or on fixed 'destination' basis.

Travel Desk

We offer a comprehensive range of travel services with a professional touch. Our travel desk takes care of all the cumbersome work that goes into planning a trip. When your executives or staff are going on an official tour individually or in groups, call us to organise your travel.

Our Promise

Clean and Efficient cars

All our cars go through rigorous fitness tests before they are on the road. We constantly upgrade our fleet of cars with new models on the market to ensure comfort, safety and style. All our cars are well-maintained and cleaned after every trip. We regularly conduct on-site audit to meet our strict safety and reliability standards.

Screened and courteous Drivers

All our drivers are screened and well-groomed to give the customer the best-in-class experience. We are very passionate about providing personalised, hassle-free 'Cab service', giving the customer a feeling of travelling by his or her own chauffeur-driven Car. Our drivers go through regular training programme on etiquette and road safety to meet these standards.

Operations with Technology at the back end

With robust software and a dedicated call-centre, every trip is meticulously planned to ensure that there is smooth flow of operations to deliver on our three-key parameters: safety, reliability and punctuality.

Single Point of Contact

We deploy a single point of contact system, wherein we appoint exclusive account managers for each site/company to ensure smooth flow of operations and address problems if any, quickly and effectively.

Wide Choice of Vehicles

We have air-conditioned and non-air-conditioned vehicles available in all categories ranging from Economy, Mid-Size, Full-Size, Luxury Car, SUV, Maxi-Cabs, Mini Busses to full-sized busses (20, 36, 40, 54 seat vehicles).

Flexible Billing Process

We have a flexible billing procedure to meet the convenience of each and every client.
